Do I have to pay court fees to get divorced?

The court fee is \$435. If you ask for court dates along the way, there may be more fees.

If you're low income or your expenses are very high compared to your income, you may not have to pay any fees. Use forms [FW-001](#) and [FW-003](#) to ask for a fee waiver.

How long does it take to get divorced?

At least 6 months and 1 day after your spouse is served. There is no waiting period of a legal separation. But you must turn in the final papers or ask for a trial to finish your case. The court will NOT finish it for you.

Where do I go to turn in my papers?

Ukiah Courthouse, Room 107
100 N. State Street, Ukiah, CA 95482

Fort Bragg, Ten Mile Courthouse, lobby window
700 S. Franklin Street, Fort Bragg, CA 95437

Hours: 8:30 a.m.-3:00 p.m

You can also file online, called e-filing: Go to <https://www.mendocino.courts.ca.gov/e-filing>.

Can my server mail the documents to my spouse?

Very rarely. Mail service is valid only in very few cases, and only if your server follows all of the required steps and uses all of the required forms. For example, if your spouse is willing to sign a form saying they received papers, or if your spouse lives out of state, service by mail may be an option. Ask for help.

What if I don't know where my spouse is?

You will have to complete extra steps. Ask at the Self-Help Center.

Will the court make orders about child custody, child support, or spousal support before the divorce is final?

Only if you ask for them. If you need temporary orders, use a *Request for Order* ([FL-300](#)). There is an additional fee for a Request for Order, but if you have a fee waiver, you do not have to pay it. The *Request for Order* form may not be the only form you need, and there are other steps you should know about. Get help.

➔ If you ask for a custody order, you & your spouse will be sent to mediation. If you can't agree in mediation, the judge will make the decision.

What is a Case Management Conference?

A *Case Management Conference* (or *CMC*) is a short hearing to check whether the people getting divorced are moving the case along. It is scheduled for 5-6 months after someone files for a divorce, then every 5-6 months until the case is finished. Turn in a *Family Law Case Status Report* ([MFL-251](#)) beforehand.
